

Digital Marketer Role Confirmation

This is to confirm that Ghaith Salama is officially assigned the role of Digital Marketer.

As a Digital Marketer, Ghaith is responsible for creating, implementing, and managing digital marketing strategies across various online platforms. This includes social media, email campaigns, SEO, website content, and digital advertising, all aimed at building brand awareness, driving traffic, and increasing conversions.

In recognition of his role and contribution, Ghaith Salama will hold a 30% share in the company or project operations as agreed.

We acknowledge Ghaith's contribution in ensuring a strong and effective online presence through data-driven strategies and continuous optimization.

Date: July 28, 2025
